About the Editors

Waldemar Karwowski is a Pegasus Professor and Chairman of the Department of Industrial Engineering and Management Systems at the University of Central Florida, USA. He is a Fellow of the Ergonomics Society (UK), the Human Factors and Ergonomics Society (HFES), the Institute of Industrial and Systems Engineers (IISE), the International Ergonomics Association (IEA), and the American Association for the Advancement of Science (AAAS). He served as President of both HFES (2006–2007) and IEA (2000–2003). In 2020, he received the David F. Baker Distinguished Research Award (2020), and the Albert G. Holzman Distinguished Educator Award (2025) from IISE. He was elected to the Academy of Science, Engineering, and Medicine of Florida (ASEMFL), Orlando, Florida, USA, in November 2020.

Gavriel Salvendy is a University Distinguished Professor at the University of Central Florida, the founding President of the Academy of Science, Engineering and Medicine of Florida, and the founding

Department Head of Industrial Engineering at Tsinghua University in China. He previously held the NEC Corporation Private Chair of Industrial Engineering at Purdue University. He is a member of the National Academy of Engineering (NAE) and a recipient of the John Fritz Medal, which is frequently referred to as the Nobel Prize in Engineering. In the over 120-year history of this award, he remains the only industrial engineer to have received it. He is also the editor of the three editions of the *Handbook of Industrial Engineering* published by Wiley.
